

The Myths of Health and Wealth

...Busting Through Myth-Conceptions that Steal Our Lives

Myths are all around us. They swirl through our lives, worming their way into our consciousness without our even realizing it. They are so bold and so pervasive, we automatically act as if they are truths... which they *are not!* Every disease can be traced to a physical cause – medicine is the only cure – you have to work hard to earn a living - *all myths!* Myths that are controlling our actions. It's time to take command. It's time to bust the myths. It's time for Adrienne deWolfe.

Adrienne will show you how social myths have invaded your thought processes and biased your beliefs—dramatically affecting your life experience. She lived the myth-conception herself, suffering with chronic, debilitating illness, and watching her hard-earned savings slip through her fingers like tiny grains of sand. But, just over a decade ago, her eyes were opened to the truth when she learned that what you *believe* is what you achieve. With simple techniques, Adrienne freed her subconscious mind of the social myths that were running her life, and the results were nothing short of miraculous. She has manifested health and wealth far beyond anything she once thought possible. And now, you can too!

Adrienne is sharing her myth-busting techniques with audiences across the nation, and the results are truly amazing! You will begin to recognize social myths and understand how they have influenced your life. You will discover methods to move past them, and you will experience results like never before. Health and prosperity are waiting for you. Will you accept them? Adrienne deWolfe will show you how!
